

This permission form is for the daily use of over the counter diaper rash cream.

- The cream named on this permission form is the only diaper rash cream GELC staff is authorized to apply to your child.
- All medications, including over-the-counter diaper rash cream, must be in the original container with the child's first and last name clearly labeled.
- GELC staff may not apply diaper rash cream to open wounds or broken skin. If your child develops a rash with open wounds or broken skin, a written order by a prescribing physician is required. In such case, a Medical Administration Form will be used.
- If this cream is expired, the parent will be given the cream to take home for disposal.
